Recent Work

When the U.S. Department of Defense formed the new Joint Service Provider organization in the Pentagon, they applied Daniel Burrus' **Hard Trend Methodology** and **Anticipatory Organization Learning System** which helped them to be less fearful of change, build a better organization, and more importantly a culture that sees new opportunity. He continues to serve on their Future Planning Group.

When **Vodafone** launched its **Global Mobile Enterprise** service to Fortune 200 companies, they chose Daniel Burrus to deliver the message to C-level executives in multiple national events.

When **Deloitte** gathered leaders from China and SE Asia for a major forecasting event, they chose Daniel Burrus. Based on the success of that event, **Deloitte** has changed their industry-forecasting model to incorporate Burrus' **Hard-Trend methodology**.
